

# Price plan Plantae 2021

## Plantae Manager

BASIC	PROFESSIONAL	ADVANCED
SIM data card	<b>BASIC PLAN</b>	<b>PROFESSIONAL PLAN</b>
Smartphone APP and Web access	Data download .csv	On-site counselling (1 per season)
Graphs and subzones combination for crop and soil types	Climate alerts	Personalised reports(2 per season)
Platform setting and explanation	Climate data	Add collaborators
Reports and alerts	Satellite Image(1 per year - manual)	Satellite Image (1 per month - dynamic)
2 years servicing and guarantee (under conditions)	Remote reactive Counselling (1 per month during irrigation season)	Remote proactive Counselling (1 per month during irrigation season)
Track (6 months)	Track (1 year)	Track (limitless)
+ Minimum sensor package: 1 hub/receiver + 2 probes with moisture, conductive tendency and superficial temperature sensor		
1 <sup>st</sup> year: (service + devices) <b>680 €</b>	1 <sup>st</sup> year: (service + devices) <b>880 €</b>	1 <sup>st</sup> year: (service + devices) <b>1.180 €</b>
Following years: <b>195 €/año</b>	Following years: <b>395 €/año</b>	Following years: <b>695 €/año</b>

## Plantae Receiver

### Unit

Hub/Receptor with its own battery or 220v (-20€), Radio Frequency up to 700m, GPRS ..... 295€/u

## Plantae Probe

### Unit

Plantae Soil Moisture Sensor+ Superficial\*/Subsoil\* Temperature + Conductivity\* ..... 95€/u

### Services

Moisture Probe Service	*Conductivity Sensor	*Superficial Temperature Sensor	*Subsoil Temperature Sensor	Reading Frequency <1h
≤ 45 €/year/u.	≤ 30 €/year/u.	≤ 30 €/year/u.	≤ 40 €/year/u.	≤ 6 €/year/u.

## Plantae Flowmeter 16-20mm

### Unit

Wireless flowmeter for dripper hose, irrigation accumulation, incidences..... 139€/u

## Plantae Sector Flowmeter

### Unit

Wireless flowmeter for the sector and main pipe, customizable according to diameter..... >349€/u

## Plantae Pluviometer

### Unit

Real time rainfall, litre accumulation, reports..... 349€/u

## Plantae Relative Humidity/Temperature

### Unit

Relative Humidity and Temperature at a height over 1 meter, Thermal Integral, Cold-Hours ..... 349€/u

### Services

Flowmeter 16-20mm	Sector Flowmeter	Pluviometer Service	RH/ Temp (Thermal Integral, Cold Hours)
< 40 €/año	< 40 €/año	< 40 €/año	< 60 €/año

## Plantae Soil Analysis

### Unit

Granulometry, pH, NPK, Conductivity, Organic Matter, Agronomic Engineer Evaluation..... 49€/u

Granulometry, Conductivity..... 39€/u
